A word

FROM OUR CEO

This year marked the first official year of One Co. Foundation. We launched on 2 August 2021 — and what a fantastic first financial year it has been. Many businesses have joined since the launch and amazing generosity is flowing. It has been such a privilege to watch business owners inspired and motivated as purpose within their business has been unlocked. Equally as rewarding has been hearing stories of the lives that have been transformed because of our One Co community's partnership. I love that it doesn't take much — everyone doing a little bit, and together we truly can make a difference.

There was so much that happened in our first 11 months, including the launch of 5 new projects, 3 new charity partners and our in-person launch event in Sydney. Like any start-up it's been a mix of juggling growth at the same time as setting up foundational systems and processes ready for the explosion of growth we anticipate.

We are ready for it, and we are excited! We are at the beginning of something truly unique — a global movement of like-minded business owners united in cause! Generous, purpose driven businesses who are leading the way. To all our partners — Charity partners, Give to Give partners, and One Co partners, thank you for being part of the story from the very beginning. We will look back fondly at this time, amazed and what's transpired over the years. Get ready for the ride of a lifetime!

So happy to be on this journey with you.

Alana Nicholls

CHARITY PARTNERS

In partnership with our charity partners there has been some amazing impact on the ground.

INTERNATIONAL PROJECTS

Child Sponsorship Program

Supporting entire communities with education, health care, clean water and improved farming and income opportunities.

Maternity Care and services for impoverished communities. Including birthing kits, outreach programs and staff training.

Micro-Finance Loans to empower business start-ups and break the cycle of poverty. Giving dignity and purpose to whole families.

Water Wells to provide and restore clean water to impoverished communities. Water that can be used for drinking, hygiene and pathways out of poverty.

CHARITY PARTNERS

AUSTRALIAN PROJECTS

Domestic Violence Prevention Workshops for First Nations Women:

A practical “healing journey” program to help break the cycle of violence amongst Indigenous communities.

In-School Programs and Camps for First Nations Young People: Helping them reach their full potential through stronger connections to culture and growing leadership and life skills.

Accommodation and wrap-around services to assist families in breaking the cycle of homelessness by helping them build a safe, bright future that is full of hope.

GIVE TO GIVE

partnership

Our commitment of **100%** of project donations going straight to the project is largely made possible because of our two incredible **Give to Give** partners:

In partnership with our founding One Co. partner Platinum Electricians, both L&H and MMEM donate 1% of Platinum's material purchases to One Co. Foundation. Platinum **give** their purchasing loyalty to these suppliers and these companies **give** a portion of rebate donations to One Co. Foundation.

If you're interested in supporting our **Give to Give** program, please get in contact.

THANK YOU

A huge thank you to our One Co. community — Charity partners, Give to Give partners and our One Co. partners. It truly is a collaborative partnership amongst us all.

Together **we are creating amazing impact.**
